

# The Story Of Sundar Pichai

CEO OF GOOGLE

# Sundar Pichai

---

The CEO of Google who belonged to a small-time where he had limited resources to grow and develop himself. He faced various financial problems but never gave up.

His zeal of going ahead and achieving took him the path of that journey where he never had to look back.

They say an ocean starts filling with tiny drops. Similarly when it comes to personality, If every person starts working with motivation and zeal like Sundar Pichai then, that time is not very far when the whole world will start looking like a fully content ocean.
